

**CASP Today**

School psychologists strive to improve the educational experience for all children. They are the school-based experts on many issues, including school violence, special education, learning disabilities, and school and community-linked children’s health services.

**CASPTODAY**, the quarterly newsletter of the California Association of School Psychologists, reaches over 1,800 school psychologists. It is filled with informative articles and important information for the school psychologist.

**CASPTODAY** offers the best opportunity to reach school psychologists in California to advertise your products and services. Place your ad in the next issue!
