

# ATTEND CASPCON26

California's Largest School Psychology Conference

CASP's annual convention brings together over 1,000 school psychologists and LEPs each year. **Join us October 13–16, 2026, at the Hilton Universal City** for engaging sessions, nationally recognized speakers, special events, and an exhibit hall full of the latest tools and resources.

- Earn CEUs while gaining cutting-edge skills, best practices, and strategies
- Attend evidence-based sessions on AI, neurodiversity, autism, trauma response, suicide prevention, executive functioning, support for underserved communities, and more
- Legal and ethical updates for school psychologists and LEPs
- Keynote and featured speakers with nationally recognized expertise
- Network with peers, administrators, and industry partners
- Awards Luncheon, Celebration Reception, and expanded networking opportunities
- Access vendor discounts and discover innovative products in the Exhibition Hall

## Real Value for Your District

- 70+ sessions and workshops with expert speakers
- CEU opportunities included with registration
- Keynote: Dr. Donna Henderson – Understand and Recognize Autism
- Featured sessions on AI, law & ethics, bilingual assessments, and more!
